This form is used by Perth Rat Rescue & Rehab to determine the interest in a particular Rats that are currently available for adoption or for Rats that may be available in the future. We use the information on the form to best gauge the suitability of the applicant to each particular Rat. Therefore, by completing this form to the best

of your ability you allow us to gauge your suitability to the Rat in question. We may also need to contact you via telephone or email for further information. We may also need to visit your premises (with your approval and at a suitable time) to further determine suitability.

By completing this form, you are providing information to assist PRRR in determining the suitability of rats to potential adoptees. Every effort will be made to have a positive adoption outcome, however, in some cases it is not in the Rats best interest, due to their individual needs, to be rehomed in certain situations.

Every effort is made to match people/ homes and rats based on the best interest of the rats and their individual requirements.

Fees are applicable for each successful adoption application to partially cover the costs of the rescue.
